

SABAH SOFTWOODS HYBRID FERTILISER SDN. BHD

CHILI FARM, PASIR PUTIH, TAWAU

Owner	: Mr Asyraf
Crop	: Chili (Kulai 461)
Fertilizer	: RS Tricho Acti-Plus
Duration	: < 1 year
Soil	: Cocopeat (fertigation)
Crop numbers	: 500 plants

Remarks:

- The application of **RS Tricho Acti-Plus** from germination stage has provide **defense mechanism against fungal disease** and **enhance the vegetative growth** of seedlings
- Very **long fruit (more than 20 cm)** gives **better yield** (fruit tonnage) during harvesting
- Low rate of fungal disease infection especially Anthracnose
